Report: Additional Information - Implementation of Campus Visit**

At the April meeting, the CEO received a report on the progress made by UK to implement recommendations from the October 2006 campus visit report. During the report, a number of inquiries arose that the committee felt should be addressed by the Provost. The Provost was asked to appear at the June 18 meeting to discuss the recommendations.

The CEO conducted a campus visit at the University of Kentucky October 2006. The committee adopted the final report of the campus visit February 20, 2007, and requested a report regarding the implementation of the recommendations be given at the April 16, 2007, meeting. The report was expected to identify strategies used by the institutions to implement each recommendation and include discussion regarding the level of success and how success is evaluated.

Dr. Kumble R. Subbaswamy, UK Provost, informed Council staff that because of a meeting conflict he will not be able to attend the June CEO meeting. He serves on a nationally constituted committee under the direction of Education Secretary Margaret Spellings and that committee will meet June 18. In the interim, Dr. Subbaswamy has indicated that he would like to respond by letter to any pressing questions of the committee and appear before the committee at its October 16 meeting.

Status reports are intended to assist the CEO in addressing its responsibility to monitor institutional progress in implementing *The Kentucky Plan for Equal Opportunities* and the Partnership Agreement with the U. S. Department of Education's Office for Civil Rights.

A detailed report was included in the April 16, 2007, Committee on Equal Opportunities meeting agenda.
